Security

- **What do you do with my information?**

Your information will simply provide efficiencies for your next order. We do not sell, rent, or share information about our customers.

- **What are cookies?**

Cookies will save login and "shopping cart" information to make your next trip to powercellbattery.com more efficient. Cookies are not bad; they store information on a user's computer by a Web Browser at the request of software on the web site. Web sites use cookies to recognize users who have previously visited them. The next time the user accesses that site, the information in the cookie is sent back to the user so the information displayed can vary depending on the user's preferences.

- **Is my information safe on your site?**

Shopping online at powercellbattery.com is safe and secure. None of our customers have ever reported fraudulent use of their credit cards as a result of shopping with us. Furthermore, you can be assured that the information you give us is private. We do not sell, rent, or share information about our customers.
